**MOTION TO MODIFY CHAPTER 13 PLAN POST-CONFIRMATION**

Come now Debtor(s), by counsel, and hereby move(s) this Court for an Order allowing him/her/them to modify the Chapter 13 Plan for reasons more fully explained in the accompanying Memorandum In Support.

**MEMORANDUM IN SUPPORT**

Debtor(s) filed for Chapter 13 Bankruptcy relief on January 17th, 2016, and the Chapter 13 Plan was confirmed on June 21st, 2016. Debtor(s)' plan calls for a variety of payments at a 1% dividend.

The proposed Modification would make the payments what the debtor has paid so far, then \$1575 per month through January 2018, then \$1985 per month for 12 months beginning with the February 2018 payment, then \$2410 per month until the plan completes. The dividend paid to unsecured creditors would remain the same. The plan as modified would complete within 60 months from the date of confirmation. This represents an increase in payments for the last 24 months. Debtor's change in circumstance is an agreed order on Trustee's Motion to Dismiss. The reason for the modification is that the plan is running approximately 70 months and the modification will make it run for approximately 60 months.

As modified, the plan meets the best interests of the creditors and represents the debtor's best effort under the current situation. Amended Schedules I and J have not been filed as the change to currently confirmed plan payments of \$1575 and then \$1985 does not occur for over a year.

WHEREFORE, Debtor(s) respectfully move the Court GRANT Debtor(s) Motion To Modify Chapter 13 Plan Post-confirmation.

Respectfully submitted,
